

I am the Early Years Teacher at Marton cum Grafton and joined the school in September 2015. I achieved Qualified Teacher Status, with an Early Years focus, from York St. John in 2002, following a degree in Theology.

Out of school I am kept ever busy by three daughters who are 9, 7 and 3 and I enjoy singing, reading and films.

I consider it a real privilege to play a part in the development of young children and to share in their achievements. Class 1 is a fun and busy place to be!
