

Cluster Sports Day

On the 14th of June, most of the key stage twos in our cluster went to the annual Cluster Sports Day. We split up into groups for all the different sports: VX, football, rounders and athletics. The athletics also had different races: 400 metres; 800 metres; and 100 metres. There was also field events such as shot put, standing long jump and javelin.

The events were spread throughout the whole day. The athletics had finals and heats and the rounders and football were round-robin. And for VX there were heats, semi-finals and finals.

Our school got lots of medals in different sports. We all worked really hard and were more than satisfied with these results:

Athletics: Dan T – Bronze and Silver in 800m and 400m. Izzy B - Silver in Shot put and Jamie G (despite having a broken wrist) won gold in long jump.

VX: Our VX team consisting of Izzi P, Freya , William M, Austen, Nella and Millie R got gold medals.

Football: Our Y56 football team consisting of Monty, Jack M, Seth , Will D, Grace , Milly D, Adam and Alfie got a silver medal.

On the bus home, everyone was in a jovial mood and more than satisfied with their results.
