

## Shakespeare Rocks – a night to remember

On Tuesday 4th July our class performed Shakespeare Rocks, our summer play.

We all had a fantastic time and really enjoyed performing this classic. It had taken weeks of preparation of line learning, set building, costume designing and practising but it was all worth it on the night. We were one of the many schools that have performed this play but we made it our own.

Everyone was great on the night but Jamie stood out playing the lead role of Shakespeare himself. Also Grace (Romeo) and Milly (Juliet) stood up on the stage and sang a solo and a duet. A big thank you to Mr Jelf and Mrs Abbey for helping us make a successful play.

Sadly it was the year sixes last primary school play but hopefully they will have many happy memories. We had a brilliant time and all went home happy.
