Be part of our Tour de France and Tour de Yorkshire Legacy Programme. Help us to inspire the next generation of cyclists by instructing young people in how to cycle more safely.

Are you a good communicator?

Do you like being outdoors, whatever the weather?

Do you enjoy working with children and young people?

Are you looking for rewarding part time work that is mainly during the school term time?

If this sounds like you, then you may be one of the people we are looking for to help us to deliver the Bikeability national cyclist training course in schools throughout North Yorkshire.

If you can ride a bicycle with reasonable confidence and would like to be trained as a Bikeability cycling instructor, we want to hear from you. If you are already a qualified Bikeability Instructor, we want to hear from you too.

We are looking for instructors throughout North Yorkshire, to help us to provide Bikeability training to every child in the county. Mostly we work with the 9 to 12 years age groups, with a priority towards Year 6 students (10 and 11 years). We deliver the courses in 4 sessions over 2 school days. Part of the course is playground based and part takes place on public roads. Most of the work is undertaken between February and November.

We offer a flexible, casual, part time contract with mileage allowance (terms and conditions apply) and a daily cycling allowance. We offer an hourly rate of £8.70 per hour (including rolled up holiday pay).

We will require that you are fully DBS checked. Successful candidates will be required to undertake 7 days of job training including a 4 day Bikeability Instructor course and a 1 day emergency first aid course.

We are committed to meeting the needs of our diverse community and aim to have a workforce reflecting this diversity. We are also committed to safeguarding and promoting the welfare of children, young people and vulnerable adults. We expect all staff and volunteers to share this commitment.
