Which table are you part of or do you want us to allocate?

As a voluntary aided school, The Friends of Marton-cum-Grafton Primary School are committed to raising 10% of all school funds (the estimated roof repairs are in the region of £65,000, and the Friends need to raise £6,500 of this). So we hope you will be able to support what will be fantastic, fun-filled night in aid of our School!
