

Friends Meeting Minutes 12th October 2017, 7.30pm

A good turnout for the evening meeting and some new faces so thank you.

Lots of ideas discussed for next year's events. Great Examples: a summer ball, race night, Christmas fair, children's birthday calendar.

If you are keen to run an event you just need an idea and then put it to action. We are here to support but happy for anyone to run anything.

We will be bringing back a calendar of events for next year so people have dates in their diary early.
