

I was born in Derbyshire (Or “down south” as my Yorkshire born husband says!) and after graduating with a degree in Law and Business went to work as a Corporate Tax Advisor.

After having a career break to raise my two boys, I began volunteering in a local school and loved it. I have since worked as a teaching assistant gaining experience with a wonderful myriad of children aged from 2 to 11, and as a clerk to the Governing body.

In 2016 I moved to the next stage in my career by joining the North Star School Direct PGCE which I can highly recommend. My full-time year of training was spread over 2 main schools; Knayton (Years 1 & 2) and St Johns in Knaresborough (Year 4) where I expanded on my educational knowledge.

In any spare time I find (!), I enjoy walking and running with my husband, sons Matthew and Ben and our dog Evie. I also enjoy craft work, going to the theatre and meals with friends.

I feel privileged and excited to be a member of the special Marton community.
