

I am Mrs. Luciana White. I was born and raised in São Paulo, Brazil. I started my teaching career as an English teacher in a language school. There I had the opportunity to teach a wide variety of pupils, from very young children to adults. After obtaining my degree in Education I worked for 5 years at St. Paul's School (a British School in São Paulo) as a KS1 and KS2 teacher. In 2011, I decided to take a break to look after my little boy. In 2014, we moved to England to join the British side of our family and enjoy the beautiful North Yorkshire countryside and in September 2016 I was delighted to start working at Marton-cum-Grafton - an exciting new beginning for me after my extended maternity leave.

When not in school, I like to do Yoga and to bake cakes and biscuits (I am an avowed cake lover!). At the moment, I also spend lots of time building LEGO spaceships with my son and I really enjoy having days out with my family.
