

Primary PE and Sport Premium Funding Report 2017/18

Marston cum Grafton CE VA Primary School

Number of children in Reception and years 1 – 6 who are eligible for Sport Premium = 94

Expected Funding: £8000 plus £5 per pupil aged 5-11 years old = Total £ 8470

Background: In April 2013, the Government announced new funding for Physical Education and School Sport (PESS). This funding should be used to improve the quality and breadth of PESS provision. The funding is ring fenced to be used for sport specific areas to make an impact in Physical Education and Sport in schools.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PESS so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

VISION for the Primary PE and Sport Premium is:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

We would expect indicators of such improvement to include:

- the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- the profile of PESS being raised across the school as a tool for whole school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Marton cum Grafton Sports Funding Premium 2016/2017

For the academic year 2016/2017, the school received £8366 in Sports Funding, which was allocated as follows:

Allocation of Sports Funding	Percentage of Sports Funding	Purpose of funding	Impact of 2016/2017 Sports Funding
Membership of Boroughbridge School Sports Cluster (including Junior Sports Leader Programme)	13%	Access to multi sports training and competitions, and participation in interschool competitive leagues and galas.	There have been at least 439 pupil attendances at competitive or inter-school sports events. School has enjoyed success in cluster competitions (30 qualifying to Level 2 competitions, so far). Fantastic experience gained by 3 junior sports leaders.
Transporting children to sports events and competitions	11%	To allow free transportation for all children to all events.	Less burden placed on parents to continually pay for transport, leading to... Larger numbers of children attending sports events.
Staff/cover whilst children are at sporting events and residential week	10%	To allow adequate supervision of children at sporting events and residential week.	High level of teacher/TA supervision while at sporting events has ensured there have been no safety issues all year whilst attending sports events. Chn remaining at school (while their teacher attends sports events) have also been correctly "covered".
Sports sessions & in-lesson staff training from specialist sports coaches	48%	New opportunities for pupils, whilst staff also observe and develop their expertise and ideas. Provision of self-funding after-school sports club.	Positive feedback from pupils taking part. Coaches brought new activities and ideas into school PE lessons which have improved skills & knowledge of our own staff.
INSET opportunities for staff (course cost and supply cover)	4%	To further improve staff skills and enable new areas of provision for pupils in school.	Positive feedback from course.
Resources and equipment	14%	New equipment and facilities in school enable a wider range of sports opportunities and new skills to be taught in PE and after-school clubs.	Equipment has improved quality & provision of both curricular & extra-curricular PE.

Marton cum Grafton Sports Funding Premium 2017/2018

For the academic year 2017/2018, the school will receive £8470 in Sports Funding, the **projected spending** of which will be allocated as follows:

Allocation of Sports Funding	Percentage of Sports Funding	Purpose of funding	Monitoring to assess impact
Membership of Boroughbridge School Sports Cluster (including Junior Sports Leader Programme)	13%	Access to multi sports training and competitions, and participation in interschool competitive leagues and galas	Numbers of pupils involved, their ages and genders; feedback from pupils on their participation; success in local competitions and pupils going on to train in particular sports beyond school
Transporting children to sports events and competitions	14%	To allow free transportation for all children to all events	What are the numbers and proportion of children attending sports events?
Staff/cover whilst children are at sporting events and residential week	9%	To allow adequate supervision of children at sporting events and residential week	Are children safe and adequately supervised while at sporting events?
Sports sessions & in-lesson staff training from specialist sports coach	43%	New opportunities for pupils, whilst staff also observe and develop their expertise and ideas. Provision of after-school sports club.	Feedback from pupils taking part; new activities and ideas in use in school PE lessons. Are staff gaining ideas and experience from coach?
INSET opportunities for staff	9%	To further improve staff skills and enable new areas of provision for pupils in school	Does PE INSET lead to improved staff skills and developments in PE?
Resources and equipment	12%	Purchasing new equipment (especially for Forest Schools purposes) to enable a wider range of sports opportunities and new skills to be taught in PE and after-school clubs	Is new equipment good VFM and being used effectively in school PE?
