

Primary PE and Sport Premium Funding 2018/19

Marton cum Grafton CE VA Primary School

Number of children in years 1 – 6 eligible for Sport Premium = 89

Expected Funding: £16,000 plus £10 per pupil aged 5-11 years old =

Total £ 16,890

The mechanism for payment will remain the same, with schools receiving 7/12 of funding on 30th Oct 2018 and the remaining 5/12 on 30th April 2019.

Background: In April 2013, the Government announced new funding for Physical Education and School Sport (PESS). This funding should be used to improve the quality and breadth of PESS provision. The funding is ring fenced to be used for sport specific areas to make an impact in Physical Education and Sport in schools.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PESS so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

VISION for the Primary PE and Sport Premium is:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

We would expect indicators of such improvement to include:

- the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- the profile of PESS being raised across the school as a tool for whole school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport.

Swimming (2017/18)

Schools are now required to publish how many pupils within their Year 6 cohort are meeting the national curriculum requirement to:

“swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.”

In our 2017/2018 Year 6 cohort, **86% of pupils** met this requirement.

Marton cum Grafton Sports Funding Premium 2018/2019

During the academic year September 2018 to July 2019 we plan to spend our funding in the following areas:

For the academic year 2018/2019, the school will receive £16,890 in Sports Funding, the projected spending of which will be allocated as follows:

Allocation of Sports Funding	Percentage of Funding	Purpose of funding	Monitoring to assess impact
Membership of Boroughbridge School Sports Cluster (including Junior Sports Leader Programme)	7%	Access to multi sports training and competitions, and participation in interschool competitive leagues and galas	Numbers of pupils involved, their ages and genders; feedback from pupils on their participation; success in local competitions & pupils going on to train in particular sports beyond school
Transporting children to sports events and comps	8%	To allow free transportation for all children to all events	What are the numbers and proportion of children attending sports events?
Staff/cover whilst chn are at sporting events and residential week	6%	To allow adequate supervision of chn at sporting events and residential week	Are children safe and adequately supervised while at sporting events?
Sports sessions & in-lesson staff training from specialist sports coach	22%	New opportunities for pupils, whilst staff also observe and develop their expertise and ideas.	Feedback from pupils taking part; new activities and ideas in use in school PE lessons. Is staff gaining ideas and experience from coach?
Sports leader at lunch and playtimes (1.5 hrs p/w) & provision of after-school sport club	6%	To increase the quality and quantity of physical activity which chn take part in at break/lunch/after-sch times	Discuss with StW (the provider) as to how effective the sessions are.
INSET opportunities for staff	5%	To further improve staff skills and enable new areas of provision for pupils in school	Does PE INSET lead to improved staff skills and developments in PE?
Resources and equipment	8%	Purchasing new equipment (especially for Forest Schools purposes) to enable a wider range of sports opportunities and new skills to be taught in PE and after-school clubs	Is new equipment good VFM and being used effectively in school PE?
Development and maintenance of our “trim trail” and school environment (TBC)	35%	To help support and finish off the school grounds development, for which we have a grant of close to £40,000.	How well is the new equipment and apparatus being used by children and staff?
Swim coaching costs	3%	To maintain a higher ratio of instructors to pupils at the pool.	Are smaller group sizes proving beneficial to the quality of instruction?
