

I joined Marton in September 2017 as Teaching Assistant in Early Years, dividing my time between Reception and Pre-school. I also cover BAFTA afterschool club and lunch duties.

I gained over 6 years experience working with pre-school children within a local playgroup setting and completed my Diploma in pre-school practice level 3.

Prior to this I worked within the travel industry and also worked as a member of Cabin Crew for a well known British Airline.

In my spare time I love to travel and I'm also kept very busy with my own 2 children!
