

Boroughbridge High School

12th September 2018

Dear Parent/Carer

At Boroughbridge High School, we have developed a programme of Information Evenings to support our parents and carers in communicating with their children on a range of current issues which our young people face. The topics mirror the Personal, Social, Health and Citizenship Education curriculum which is studied by our students throughout their time at school. As a parent or carer of a Year 5 or Year 6 student in one of our catchment primary schools, we would like to invite you to these sessions.

The first **Parent Information Evening will be on Tuesday 18th September 6.30p.m. -7.30p.m.** The focus will be **E-Safety** and will include updates for parents on what young people do online, strategies for managing and monitoring online activities and information on what to do if you have any concerns. Our guest speaker will be Clare Barrowman who is North Yorkshire County Council's Health and Wellbeing adviser. She has a wealth of experience in this field and is highly knowledgeable about the activities of young people on line and how we can keep them safe. After the talk there will be refreshments and an opportunity for parents to ask questions.

If you wish to attend, please e-mail schooladmin@boroughbridgehigh.com indicating the number of seats you would like to reserve.

We look forward to meeting you.

Yours faithfully

K Stephenson
