

MARTON-CUM-GRAFTON
CE VA PRIMARY SCHOOL

10th November 2017

Dear Parents,

The Foundation Stage and KS1 children are very busy rehearsing for their nativity play, 'Christmas Recipe' which will be presented to parents in the school hall on Monday 11th, Tuesday 12th and Wednesday 13th December at 1.30pm.

We would like to ascertain how many seats you would prefer to see if it is possible to accommodate all your requests. If we find we do not have enough seats we will need to revert to a 'five seats per family' allocation, however, unless you hear otherwise, please assume the number of seats you have requested is fine. We will not be issuing tickets for seats.

There will be 80 seats available for the Tuesday and Wednesday performances. On Monday 11th December the Marton-cum-Grafton WI and their guests have been invited to watch the show and there will be a limited number of seats available for parents.

If you would like to see the show, please complete the slip below, indicating which performance you wish to attend and how many seats you would like and return this to the school office **no later than Friday 1st December by 3.15pm.**

Yours faithfully,

Mrs ML Thirlaway
