Dear Parents and Carers,

Helping in School

We are always grateful for the support of parents in school and we would like to remind parents and carers that there are opportunities for you to be involved in the school day as parent helpers. Some parents come in regularly to help but we recognise that not all parents are able to offer this commitment to school and we are always glad to welcome you on one-off occasions as well.

Whether it is helping with artwork, sports/PE, school trips or listening to readers there are plenty of opportunities to suit all skills and interests and while the role is called 'parent helper' we of course would welcome classroom help from grandparents or other family members.

If you would like to help out in school, please either indicate on the slip below or see myself or your child's class teacher.

Yours faithfully,

Mrs ML Thirlaway
Headteacher

I would be interested in helping out in school on a regular / occasional basis (please delete as appropriate)
